User Registration

Multiple Computers
Synchronization Options

Do you want Pluck to automatically synchronize your favorites information between multiple computers?

☐ Yes
☐ No

Do you want Pluck to import your favorites from Internet Explorer into Pluck Favorites?

☐ Yes
☐ No

Note: Synchronization only works with Pluck Favorites, so if you want your existing favorites to be synchronized between multiple computers, you must select this option.

What is Synchronization?

You can turn Synchronization on later if you choose not to activate it now.

User Registration

E-mail Notification Options
Sharing Links with Users Who Are Not Registered with Pluck

If a user does not have Pluck installed, Pluck will automatically e-mail the shared link, note, and other information to the user. Is this ok?

☐ Yes
☐ No

If you do not enable this option, attempts to share links with users who are not Pluck users will not be work.

If you would like to include an additional message in this e-mail type it here:

Enter Text 300

If you would like to see what these e-mails look like, [click here](#).

Note: Pluck uses e-mail addresses only to deliver links you have shared with users, we do not sell these e-mail addresses or use them for other purposes.

User Registration

Invite Users

Invite your friends to use Pluck so that you can easily share links with them, create private shared folders with them, and much more.

Enter e-mail addresses here:

dpanos@pluck.com, sryder@pluck.com

Multiple e-mails should be separated with commas.

Enter Text

Note: Pluck will send one invitation to the user(s) you invite. Pluck will not spam them, share their e-mail address, or send them additional e-mails (unless you share a link with them later).
